

UCB Statistics Department Thesis Advisor Form for Ph.D. Students

Please use this form to inform the Statistics Graduate Office of your Thesis Advisor(s).

When you entered the program, you were assigned a Faculty Mentor. Once you find a permanent faculty advisor or co-advisors, complete this form to make the arrangement official. If you find an advisor outside of Statistics or if your advisor is an Adjunct Faculty member, you are required to find a Statistics faculty member who will agree to serve as your co-advisor.
